**Safety With Durability**

## ***About us***

We are group of companies engaged in the businesses of Automotive, Sportswear and Safety Workwear Products from many years. A1 Safety Gear is specifically engaged in Personal Protective Equipment that includes wide range of Products like industrial Safety Gloves, Workwear Apparels, Fireproof Garments and Accessories.

**A1 Safety Gear** is Company with the vast experience of manufacturing safety Apparels and Gloves based in Sialkot - Pakistan. We started out journey in 2017 with this Safety Working Gloves to international buyers. With the passage of time, we came into the manufacturing of complete safety apparel and became trust worthy supplier.

We can offer best quality products at competitive price and great customer service. Our catalogue offers a wide range of items. However, the total of products we can offer is wider. So, if you don't find what you are searching for, please don't hesitate to contact us.

*We warmly welcome Customers around the world to visit us at our factory, where we may discuss some latest developments in Gloves based on the line of business the client is currently operating.*

### ***Mission Statement:***

Our mission is to enable members to remain in contact with employees regarding workers safety.
